

CIVIL CODE DRAFT AND PROPERTY LAW REFORM IN CHINA

The Chinese Government has resolved to complete the Civil Code Draft Bill by 2020. What can we expect from the Draft in reforming the property law, which is a critical component of the Civil Code? Professor Shen will address the debates of the basic principles, different types of usufructuary rights, and most important of all, the creation of new types of property rights for rural land in the Draft. At the same time, in light of the trending of international guarantee system, Professor Shen will also discuss the possible reform of Chinese security interest
