# Bracing for the Storm: Climate Litigation Risk

Companies in all sectors are facing litigation related to climate change. The first cases against institutional investors have also been commenced. This breakfast panel discussion will discuss three key things you should be thinking about in your governance and investment decisions.

There is no charge for continental breakfast, but you must register on Eventbrite in advance

Panelists

Lisa DeMarco
Senior Partner, DeMarco Allan LLP
Lisa is a recognized expert in climate and energy law. She has over two decades of experience in law, regulation, policy, and advocacy relating to oil, gas, power and all aspects of climate change.

Liane Langstaff
Associate, Gowling WLG LLP
Liane Langstaff is an environmental lawyer, practising in the areas of climate change and regulatory compliance, environmental assessment and litigation. She writes and teaches about climate change, including as co-instructor of the 2019 Osgoode Hall Law School environmental law course.

Janis Sarra
